Plan 1, 2 and 3 Overview

There are three benefit plans available to part-time Local 587 employees. The following information is provided to help you understand the basics of each plan and how they work together. You're provided enrollment materials for each plan as you become eligible. Contact your base chief if you have questions regarding your eligibility.

■ Plan 1

You become eligible for Plan 1 the first of the month following your hire date (the day after you qualify) or the first of the month you're hired if your hire date is the first of the month.

Under Plan 1 you may self-pay for:

- Health (medical, dental and vision) coverage for yourself and family members
- Basic life insurance (\$20,000) for yourself.

■ Plan 2

You become eligible for Plan 2 when you:

- Pick a work assignment of at least four hours per day for a shake-up or
- Receive at least 338 paid hours in a four-month qualifying period prior to the start of the shake-up (four-month qualifying periods are January-April, April-July and September-December).

Plan 2 benefits become effective for specific benefit-eligible periods beginning 45 to 60 days after the start of the shake-up. Benefit-eligible periods are:

- April 1-July 31 (four months) for the shake-up that usually begins in February
- August 1-October 31 (three months) for the shake-up that usually begins in May or June
- November 1-March 31 (five months) for the shake-up that usually begins in September.

Once you've enrolled, Plan 2 coverage extends for additional benefit-eligible periods as long as you continue to meet eligibility requirements.

Under Plan 2 you receive county-paid:

- Health coverage for yourself and family members
- Basic life (\$25,000), accidental death and dismemberment (AD&D/\$25,000) and long term disability (LTD/180-day waiting period) insurance for yourself.

You may also self-pay for enhanced:

- Life for yourself (\$25,000, \$50,000, \$75,000 or \$100,000)
- Life for your family (spouse/domestic partner 50% of your enhanced amount, children \$5,000)
- AD&D for yourself (\$50,000 to \$500,000, in \$50,000 increments)
- AD&D for your family (spouse/domestic partner 50% or 100%, children 10% of your enhanced amount)
- LTD for yourself (reducing the basic 180-day waiting period to 90 days).

■ Plan 3

If you lose eligibility for Plan 2, you become eligible to self-pay to continue coverage under Plan 3. Under Plan 3 you receive the same county-paid basic life (\$25,000), AD&D (\$25,000) and long term disability insurance (180-day waiting period) you had under Plan 2, but must self-pay if you choose to continue:

- Medical, dental and vision coverage for yourself and family members
- Any of the enhanced life, AD&D or LTD you had under Plan 2.

If you continue self-paid coverage under Plan 3, you must keep the same:

- Medical plan you had under Plan 2 (unless the Plan 2 to Plan 3 change occurs during open enrollment)
- Premium payment plan you were enrolled in for the calendar year (if you self-paid for previous coverage).

■ Cost for Plan 1 and 3 Health Coverage

King County pays the complete cost of Plan 2 health coverage but only a portion of Plan 1 and 3 health coverage. The following table lists the share of monthly premiums you pay for Plan 1 and Plan 3 in 2001 and 2002. (If you lose eligibility under Plan 2 you pay these premiums to continue coverage under Plan 3.)

Nine Key Points

1. Under Plan 2, King County pays for medical, dental and vision coverage for you and the eligible family members you enroll, plus basic life, accidental death and dismemberment (AD&D), and long term disability (LTD) insurance for you. When you first enroll you have a choice of medical plans and may purchase additional enhanced life and AD&D for yourself and family members, plus enhanced LTD for yourself. (The medical plan you elect is the one you self-pay to continue under Plan 3 if you lose Plan 2 eligibility.)
2. If you don't submit your enrollment forms (pages 21-24) **by Friday, March 1** only family members you've previously enrolled in a county plan will be covered, and this default coverage may be assigned to you:
 - KingCare (Aetna/Ethix) Basic Medical or your previous medical plan if previously enrolled
 - Dental
 - Vision
 - Basic life insurance
 - Basic AD&D insurance
 - Basic LTD insurance.
3. If you don't elect enhanced life insurance for yourself and family members now, or if you drop or reduce it later, you may not add or increase it again until 2003 open enrollment for 2004.
4. It can take several weeks to process and report your Plan 2 enrollment to plan carriers. When processing is complete, you'll receive a medical card (no cards are issued for dental or vision). If you don't receive your medical card within 30 days, please contact the plan. If you experience difficulty getting services, please contact Benefits & Well-Being.
5. Open enrollment each fall let's you change coverage. During open enrollment, you may:
 - Change medical plans
 - Add or increase enhanced AD&D for yourself and family members
 - Add enhanced LTD for yourself
 - Add eligible family members not previously covered.
6. Any time between open enrollments you may:
 - Drop family members from coverage
 - Drop or reduce enhanced life or AD&D for yourself and family members
 - Drop enhanced LTD for yourself
 - Add eligible family members for coverage when the change is due to:
 - Birth or placement for adoption of a child
 - Placement of a foster child
 - Marriage or establishment of a domestic partnership
 - Qualified Medical Child Support Order
 - Significant change in your spouse/domestic partner's employer-sponsored coverage
 - Request continuation of coverage for a child currently enrolled in county benefits past age 23 if the child is chiefly dependent on you for support and maintenance and becomes incapacitated due to a developmental or physical disability before turning 23.
7. You need to notify Benefits & Well-Being within 60 days of qualifying events to change coverage. Otherwise, you may have to wait until the next open enrollment. Get forms from Benefits & Well-Being.
8. Detailed plan booklets are available at www.metrokc.gov/ohrm/benefits, but hard copies will be mailed to you if you make the request on your enrollment form.
9. Questions? Contact the resources listed in the Resource Directory (pages 18-19).

Benefits That Need No Decisions

You and the eligible family members you enroll automatically receive dental and vision coverage, and you automatically receive basic life insurance, basic accidental death and dismemberment insurance and basic long term disability insurance for yourself. These benefits need no decisions by you except to enroll your eligible family members for coverage (page 23).

Your "no decision" benefits are summarized in this section. For more details, including exclusions, limitations or preauthorization requirements, refer to your plan booklets, check www.metrokc.gov/ohrm/benefits or contact the other resources listed in the Resource Directory.

■ Dental

Your dental coverage is provided through Washington Dental Service (WDS).

WDS increases your payment levels through its incentive program when you regularly see your dentist. For diagnostic and preventive services as well as basic and restorative services the payment level starts at 70% and increases 10% for each calendar year until you reach 100% (as long as you visit your dentist each year). For major restorative services the payment level increases from 70% to 80%, then to 85%. If you do not see the dentist during the calendar year your payment level is reduced to the next lower payment level, but never below 70%.

■ Basic Life Insurance for You

Once you become eligible under Plan 2, you automatically receive county-paid basic life insurance as long as you remain a part-time Local 587 employee at King County. If you die for any reason the beneficiaries you designate receive a lump sum of \$25,000.

■ Basic Accidental Death and Dismemberment Insurance for You

Once you become eligible under Plan 2, you automatically receive county-paid basic AD&D insurance as long as you remain a part-time Local 587 employee at King County. If you die in a covered accident the beneficiaries you designate receive a lump sum of \$25,000. If you are dismembered or paralyzed you receive an amount that depends on the type of loss.

■ Basic Long Term Disability Insurance for You

Once you become eligible under Plan 2, you automatically receive county-paid basic LTD insurance as long as you remain a part-time Local 587 employee at King County. If you become disabled, unable to work and apply for LTD, this benefit combines with other sources of disability income to replace 60% of your monthly predisability earnings after a 180-day waiting period. The maximum benefit is \$6,000 a month.

Benefits That Need Your Decisions By Friday, March 1

You must submit your enrollment forms (pages 21-24) to Benefits & Well-Being **by Friday, March 1** to:

- Choose your medical plan
- Elect enhanced life or accidental death and dismemberment insurance for yourself and family
- Elect enhanced long term disability for yourself
- Designate your life and accidental death and dismemberment insurance beneficiaries
- Cover your eligible family members.

These "decision" benefits are summarized in this section. For more details, including exclusions, limitations or preauthorization requirements, refer to the plan booklets at www.metrokc.gov/ohrm/benefits or contact the other resources listed in the Resource Directory.

■ Medical

You have five options for medical coverage or you may opt out of medical and receive an additional \$65 in monthly pay taxed as ordinary income. The option you select is the option your family members receive.

To opt out of medical coverage you must have coverage through another employer's health care plan and submit a copy of the other medical plan card with your enrollment form. If you opt out and don't provide a copy of the card you automatically receive KingCare (Aetna/Ethix) Basic coverage, the default option. If you opt out of medical coverage, you may opt back in if you lose the other coverage and return a completed Request to Opt Back in Medical Coverage Form to Benefits & Well-Being within 60 days of losing coverage.

Generally, the plans on the left in the following tables offer a greater selection of covered providers but lower benefit levels. Plans on the right offer higher benefit levels but less selection of covered providers. As you compare the KingCare (Aetna/Ethix) Basic and Preferred Plans please be advised the only advantage to the Basic Plan is lower premiums for employees who pay for medical coverage (part-time Local 587 employees with Plan 1 or Plan 3 benefits, COBRA participants and retirees). Regular employees, full-time Local 587 employees and part-time Local 587 employees with Plan 2 benefits do not pay for medical coverage.

** Your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from mastectomy (including lymphedema). Call the medical plan for more information.

■ Enhanced Life Insurance for You

You may purchase additional life insurance in \$25,000, \$50,000, \$75,000 or \$100,000 amounts. If you die for any reason the beneficiaries you designate receive the amount you select in addition to your county-paid basic life insurance benefit.

If you elect enhanced life insurance when you first enroll for benefits no evidence of insurability (EOI) is required for any amount under \$100,000. If you elect \$100,000, EOI is required and you pay for \$75,000 until EOI is approved by the insurance company.

You may drop or reduce your coverage anytime, but you may add or increase it only during special open enrollments (the next one is 2003 open enrollment for 2004) and EOI is required.

■ Enhanced Life Insurance for Family Members

If you elect enhanced life insurance for yourself, you may purchase enhanced life insurance for family members from the options indicated on the enrollment form (page 21). If a family member dies for any reason you are the beneficiary.

You may drop or reduce family coverage anytime, but you may add or increase it only during special open enrollments (the next one is 2003 open enrollment for 2004) and EOI is required. Between special open enrollments you may add enhanced life for a new family member if you already have it for yourself. Submit a Request for Enhanced Family Member Coverage Form within 60 days of the qualifying event such as marriage, establishment of a domestic partnership, birth or adoption. The form is available at www.metrokc.gov/ohrm/benefits or from Benefits & Well-Being.

■ Monthly Cost of Enhanced Life Insurance

Cost of enhanced life insurance for you and your spouse/domestic partner (DP) is based on your age. Cost for children's coverage is \$.45 a month regardless of the number of children covered. If you and your spouse both work for King County you cannot elect enhanced life for each other, and only one of you may elect it for your children.

■ Enhanced Accidental Death and Dismemberment Insurance for You

You may purchase additional AD&D insurance from \$50,000 to \$500,000 in \$50,000 increments. If you die in a covered accident, the beneficiaries you designate receive the amount you select in addition to your county-paid basic AD&D insurance benefit. If you are dismembered or paralyzed, you receive a portion of the enhanced amount that depends on the type of loss in addition to your county-paid basic AD&D insurance benefit.

You may drop or reduce your coverage anytime, but you may only add or increase it during annual open enrollment. EOI is not required.

■ Enhanced Accidental Death and Dismemberment Insurance for Family Members

If you elect enhanced AD&D insurance for yourself, you may purchase enhanced AD&D insurance for family members from the options indicated on the enrollment form (page 21). If a family member dies, is dismembered or is paralyzed as a result of a covered accident, you are the beneficiary.

You may drop or reduce family coverage anytime, but you may only add or increase it during annual open enrollment. EOI is not required. Between open enrollments you may add enhanced AD&D for a new family member if you already have it for yourself. Submit a Request for Enhanced Family Member Coverage Form within 60 days of the qualifying event such as marriage, establishment of a domestic partnership, birth or adoption. The form is available at www.metrokc.gov/ohrm/benefits or from Benefits & Well-Being.

■ Monthly Cost of Enhanced Accidental Death and Dismemberment Insurance

2001 and 2002 costs are the same. Add across each row for those you cover to determine your total monthly cost.

If you elect this enhanced amount	Cost for you only	Cost for spouse/DP at 50% of your amount	Cost for spouse/DP at 100% of your amount	Cost for all children at 10% of your amount

■ Enhanced Long Term Disability Insurance for You

Enhanced LTD, like basic LTD, combines with other sources of disability income to replace 60% of your predisability earnings, but:

- Reduces your waiting period from 180 to 90 days
- Increases the maximum benefit from \$6,000 to \$7,200 a month.

Cost of enhanced LTD was \$4 a month in 2001 and it's \$9.40 a month in 2002 (the rate increase is due to increased utilization and claims).

■ Insurance Beneficiaries

List the individuals who you want to receive your life and AD&D benefits in the event of your death. List them in both sections of the insurance beneficiary designation on your enrollment form (page 22), even if they are the same for both benefits.

You can designate primary and contingent beneficiaries. If your primary beneficiaries are not alive at the time of your death your contingent beneficiaries receive your benefit. If you name multiple beneficiaries in either category (primary or contingent) their shares must add up to 100%.

If you're married and you do not choose to list your spouse as your only primary beneficiary for either life or AD&D insurance, your spouse must sign the Spouse Waiver section of the form.

■ Benefit Eligible Family Members

If you list them on the Family Member Enrollment Form (page 23), King County covers these family members under your benefit plans:

- Your spouse/domestic partner (Affidavit of Marriage/Domestic Partnership required, page 24)
- Unmarried children of you or your spouse/domestic partner who are:
 - Under age 23 and chiefly dependent on you for support and maintenance (generally, that means you claim them on your federal tax return). A child may be your natural child, adopted child, stepchild, legally designated ward, child placed with you as legal guardian, child legally placed with you for adoption, or a child for whom you assume total or partial legal obligation for support in anticipation of adoption.
 - Named in a Qualified Medical Child Support Order (QMCSO) as defined under federal law and authorized by the plan.

There is no cost to cover family members, but when you cover a domestic partner (DP) and DP's children for health benefits (medical, dental, vision) the IRS taxes you on the value of the coverage. To do this, the value of the coverage is added to the salary shown on your paycheck (and W-2 at the end of the year), federal income tax is withheld on the higher salary amount and then the value is subtracted from your salary.

If you do not want to cover a DP and DP's children but want to enroll them for enhanced life or AD&D, you may exclude them from health coverage so you won't be taxed. To do so, check the box to exclude them from medical/dental/vision coverage when you list them on your Family Member Enrollment Form.

A Benefit to Consider by Tuesday, April 30

■ Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to set aside pretax dollars from your paycheck to pay for expenses not covered through your other benefits. When you put money into an FSA you do not pay federal or FICA (Social Security) taxes on it. As a result, your taxable income is reduced and your taxes are lower.

King County offers two types of FSAs:

- Health Care FSAs allow you to set aside pretax dollars to pay for certain expenses not covered by your health plans (for example, the cost of orthodontia not fully paid by your dental plan and copays for office visits).
- Dependent Care FSAs allow you to set aside pretax dollars to pay for eligible dependent care expenses for your child, disabled spouse or dependent parent while you and your spouse work.

Because of the tax advantages available to you, the IRS limits how you can use FSAs and how much you can contribute:

- Under the county plan, the maximum that can be contributed to King County's Health Care FSA is \$3,000 per year. The maximum that can be contributed to a Dependent Care FSA is \$5,000 per year if married filing a joint return or head of household; \$2,500 if married filing separately. The minimum that can be contributed to either FSA is \$300 per year.
- Health Care and Dependent Care FSAs are separate. The money you allocate for one cannot be used for the other and you cannot transfer dollars between accounts.
- Expenses for certain eligible services incurred during the calendar year are reimbursed from an FSA. You have until March 31 of the following year to file reimbursement requests.
- You must use FSA money or you lose it. Any money left in an FSA that cannot be reimbursed is forfeited, so it's important to estimate annual expenses carefully before enrolling and set aside only as much as you expect to spend.
- You cannot use a Health Care FSA to pay expenses you claim as health care deductions on your income tax return.
- Each dollar of dependent care expenses reimbursed through a Dependent Care FSA reduces the amount you can apply toward the federal Dependent Care Tax Credit.
- FSA contributions may affect Social Security benefits. Because you and the county don't pay Social Security (FICA) taxes on the money you contribute, your future Social Security benefits may be reduced slightly.

If you decide to participate in the FSA program, you must enroll **by Tuesday, April 30**. Otherwise, you must wait for a qualifying event or the next open enrollment (you must reenroll each year at open enrollment to continue participating in FSAs).

For an FSA Guide with additional details and enrollment forms, check www.metrokc.gov/ohrm/benefits or contact Benefits & Well-Being.

Benefits to Consider at Your Convenience

As a part-time Local 587 employee, you can take advantage of the other county benefit programs described in this section regardless of the benefit plan in which you're enrolled -- Plan 1, Plan 2 or Plan 3. For more details, check www.metrokc.gov/ohrm/benefits or contact the other resources listed in the Resource Directory.

■ Deferred Compensation

The King County Deferred Compensation Plan (a 457 plan) is a voluntary supplemental retirement savings program that offers you a convenient way to build your savings for the future while enjoying current tax breaks. The plan allows you to defer a portion of your county pay to a variety of investment options before taxes are deducted. This reduces your taxable pay, providing an immediate tax advantage.

You may withdraw your money (in a lump sum, installment payments or an annuity payment) at retirement or when you leave employment with King County. Withdrawn funds are taxed, but ideally after you've retired and your income and tax liability are less!

For more information and to enroll, contact T. Rowe Price (the plan administrator). You can enroll any time after 60 days of employment.

■ Making Life Easier Program

The Making Life Easier Program offers free and confidential personal counseling services (24 hours a day, seven days a week) to you, your dependent family members (whether home or away) and anyone living in your household:

- Up to eight personal counseling sessions with a professional counselor
- Advice on issues ranging from family relationships to substance abuse
- Credit and legal consultation, including up to 30 minutes of free consultation with an attorney
- Child care resource and referral
- Adult and elder care
- Health and wellness information.

■ Home Mortgage Assistance

The Making Life Easier Program collaborates with a local mortgage company to offer you a range of homebuying services if you're purchasing and occupying a home within King County:

- Free home-buying classes
- Individual consultation
- Flexible loan qualifying standards
- Reduced loan fees (including no-fee loan approval and reduced closing costs)
- Expedited loan processing
- Extended hours of service.

■ Mildly Ill Child Care

The Making Life Easier Program contracts with Virginia Mason's Tender Loving Care (TLC) Program to provide free child care for mildly ill children. For more information and to pre-register for the service (there's a nominal fee if you don't), contact TLC.

■ Employee Transportation Program

The Employee Transportation Program offers a variety of programs in addition to your employee bus pass to help you get to and from work:

- Discounted ferry passes
- Vanpool subsidy
- Carpool, bike and walk incentives
- Ridematching services.

When you commute to work other than by driving alone in a car and an emergency arises (such as unscheduled overtime, an unexpected illness or a missed carpool or vanpool ride home), the Employee Transportation Program also provides a free taxicab ride home -- up to eight times per year -- through Home Free Guarantee.

■ Credit Unions

There are two credit unions available to all King County employees:

- King County Credit Union
- MetroPacific Community Credit Union.
